Service

Cancellations

While CTC recognizes that many people rely on our service to get to school, work, or other vital travel, the safety of our passengers and employees is paramount. We always try to provide as much notice of service interruptions as possible but there are times where the safety of our passengers and employees warrants cancelling trips on short notice. Please review our policies below. To receive important service announcements from CTC, please sign up on our website at ctcferry.org on our news and info page.

Bus Service: If school is cancelled in Yarmouth, the first bus of the day is automatically cancelled. There will not be a notice of this trip's cancellation. All other trip cancellations will be communicated as soon as possible.

Ferry Service: When deciding to cancel a boat trip, we will consider not only the ability of the boat to run in the storm, but **also our passengers' ability to safely board and exit the boat.** Therefore, conditions where the wharves, ramps, and/or floats are unsafe will result in a trip cancellation. This would include high winds making the floats rock dangerously (usually at Cousins), storm surges that put the top of the Stone Wharf under water, and excessive ice and/or snow on ramps, floats, or wharves.

Free Boat Day on Christmas!

Christmas is family time, to share with loved ones here — or on the mainland. As a special thank-you to the Chebeague community, and to celebrate a great 2023, CTC is offering free travel — to and from — the island for everyone on **Christmas Day**. CTC works hard to bring families together throughout the year, so we're especially pleased to invite you and your loved ones to travel for free on December 25.

From all of us at CTC
