1. It is the responsibility of the parking permit holder to inform the CTC Business Office of any changes in vehicle information or residency/commuter status. If residency or commuter status changes for Cousins Island parking permit holders, the Customer may be re-assigned to the Route One parking lot.

2 **“Loaner” vehicles must be approved** by the Business Office. Loaner vehicles that have not been approved are subject to daily parking fees, fines, and towing. **“Loaner” vehicles must be identified** by placing a visible note with sticker number in the windshield. Loaners are allowed only when the permitted vehicle is unable to be used (e.g. under repair). Loaners are not allowed to enable multiple vehicles to park under a single permit number.

3. **Persons using any of CTC’s parking facilities do so at their own risk and indemnify and hold CTC harmless from all liability, including liability for damage or injury due to theft, vandalism, natural disasters, or from other causes.** Any damages, accidents, or injuries should be reported to CTC Business Office immediately.

4. Persons who leave keys with CTC parking attendants or other staff do so at their own risk and indemnify and hold CTC harmless from all liability, including liability for damage or injury due to theft, vandalism, natural disasters, or from other causes.

5. Only customers with Cousins Island parking permits may park overnight at the Cousins Island lot without prior approval of CTC management.

6. Customers with Cousins Island parking permits may park at the Route One lot at any time for no additional charge.

7. Weekday Worker permits are valid Monday – Friday until 5:30PM at the Cousins Island lot with the exception of local lobstermen who may park later in the day. Weekend parking for Weekday Workers is allowed only on a space available basis. Weekday Worker permit holders can park at the Route One lot nights and weekends at no additional charge.

8. Customers using CTC parking facilities agree to conform to the **Company’s rules regarding parking** polices and designated parking spaces.

9. Daily parking at the Cousins Island lot for vehicles without a Cousins Island permit is on a space available basis and subject to parking fees.

10. Parking permits must be **permanently affixed to the lower driver’s** side portion of the windshield where they are easily visible and may not be laminated or photocopied. Expired CTC parking permits should be removed from the windshield. If permits are not displayed in the proper location, the vehicle could be mistaken for a non-permitted parker and ticketed or towed.

11. Parking permits may not be transferred except in the instance when the owner has obtained a different vehicle. In this case the old permit must be removed and returned to the Business Office so a new permit can be issued.

12. Parking permits are non-refundable.

Don’t Get Towed!

CTC’s annual parking permit policies are stated in the Terms and Conditions provided for both the Cousins and Route One lots. Failure to follow CTC parking policies may result in revocation of permits with no refund.

Vehicles that do not have a valid annual or daily permits will be towed at **the owners’ expense.** Signs are posted at both lots with the telephone number to call if your vehicle gets towed.

New Employees at CTC!

Those of you who have been travelling on our busses and ferries lately may have noticed some new faces on board. We are happy to welcome two new deckhands, Lisa Ross and Sandy Mailman, as well as two new bus drivers, Carol Duncanson and Kathy Darling!
