**Summer Boarding Procedure to go into effect May 15**

With the winter weather behind us (hopefully!) and the busier time of year approaching, we will resume ticket collection at the top of the ramps on both Cousins and Chebeague. Please have your ticket (whether on your phone or a hard copy) out and ready as you get to the ramp. Take your time and please make sure you secure your phone before heading down to the boat... we don't want to lose any overboard! Thanks for your cooperation with this change as we get ready for summer!

*Happy Birthday!*

During the past year, CTC - like many businesses and individuals - has experienced significant increases in operating expenses. Along with the nearly 100% jump in diesel fuel prices, increased repair and maintenance fees and rising labor rates, the cost of providing our services has risen sharply. We strive to keep our service as affordable as possible while also maintaining equipment and staffing levels that ensure safe and reliable transportation. To remain in a financially strong position and to continue to provide that service, we must increase revenue to cover rising costs. We are actively seeking additional sources of revenue, including grants, but fare increases are necessary to help underwrite our operations. The CTC Board has approved seasonal fare increases listed below. The new rates will be in effect May 18 - October 9. Additionally, daily parking fees will increase to \$20/day at Route 1 and \$30/day at Cousins Island.
